### Echo of trekking tragedy at Tamil Nadu

# Karnataka Forest Dept. BANS trekking till summer ends

*Picture for representation only.*

Mysuru, Mar.13 (MTY&NNN)- The Karnataka Forest Department has banned trekking in forests in the State till the end of summer. This decision was taken at a meeting of High-Level State Forest officials yesterday in Bengaluru in the wake of forest fire at Kurangini Hills in Theni district of Tamil Nadu where 10 trekkers perished.

In a circular issued by Principal Chief Conservator of Forests (PCCF) Punati Sridhar to the Conservator of Forests of Bandipur, Nagarahole, Bhadra, BRT Wildlife Sanctuary, a Tiger Reserve and Kali Tiger Reserve, the circular said that no trekking will be allowed in any of these forest areas till the summer season ends or it rains during these months.

The circular also states that stringent action would be taken against those found trekking illegally in the forests when the ban is in force. The Department has also made it clear that only those who are physically fit to handle the terrain and help forest staff during emergencies like forest fire can trek in the forests during dry season.

As summer months are the peak tourist season, the Department offices across Karnataka are flooded with applications from wildlife enthusiasts seeking permission for trekking. However, they are being turned away, stating that there is shortage of monitoring staff. And with the forest fire in Tamil Nadu killing the trekkers, the Forest Department has become more strict and has banned trekking.

There are many local residents and religious leaders who are also seeking permission to enter the forests to perform rituals. But they too are being denied entry, said a source in the Forest Department.

# New Mysuru DC takes charge

*K.B. Sivakumar, Deputy Commissioner, Mysuru.*

Mysuru, Mar. 13 (SPN&DM)- K.B. Sivakumar, a 2010 batch IAS Officer, took charge as the new Deputy Commissioner of Mysuru District here yesterday.

Sivakumar took over from D. Randeep, who has been transferred as Hassan DC.

A native of Tamil Nadu, Sivakumar had earlier served as the DC and ZP CEO at Vijayapura, as Assistant Commissioner at Indi in Vijayapura district and as Additional Commissioner of Commercial Tax, Bengaluru.

Soon after taking charge, he said that he would strive to make Mysuru a citizen-friendly city.

MCC Commissioner G. Jagadeesha, ADC T. Yogesh, Muzrai Tahasildar S.N. Yathiraju, Tahasildar Ramesh Babu and other officials were present.

K.R. Nagar MLA S.R. Mahesh too greeted the new Deputy Commissioner.

# Convocation over, fresh applications invited for Mysore Varsity VC post!

Mysuru, Mar.13 (RK&NNN)- Even as the 98th convocation of the University of Mysore was held yesterday in the absence of the Governor-Chancellor, Pro-Chancellor and a regular Vice-Chancellor, the selection to the post of the 25th Vice-Chancellor is going to be further delayed. The Higher Education Department, it is said, has called for reconstitution of the Search Committee to select the new VC and also called for fresh applications from aspirants to apply for the post of the VC.

The Department is said to have directed the University to call for fresh applications for the VC's post as the Governor had rejected the names of the three aspirants that the earlier Search Committee had recommended.

With March end deadline to apply for the post, the Department wants a new Search Panel and selection of new VC to be over by the first week of April.

## Ladders & Leaders

**The world has witnessed many leaders featured in the chronicles of various countries, including India. Some of them have steadily climbed the rungs of life's *ladder* to earn the distinction of being recognised and respected as *leaders*. While a select few among them retained their perch at the top not only during their lifetime but also after departing, the rest of them vanished into thin air, barring a few exceptions. We have a string of names finding honourable mention in the pages of the history of the erstwhile Princely State of Mysore as well as its expanded geographical entity of Karnataka, as leaders or leading lights in society of their times by virtue of their illustrious track record in various fields of human activity, namely statecraft, philosophy, spiritual messages of lasting value, administration, people's welfare, agriculture, industry and so on.**

**Examples of episodes narrated under unforgettable captions such as, "From the log cabin to the White House," trailing the course of life in the face of hardship by well-known personalities used to be part of school textbooks aimed at sowing the seeds of desire in young minds to emulate past luminaries. That culture seems to have taken a beating in our times.**

**The world of animals and also insects provides well-proven picture of the members of virtually every species carrying on their routine activities led by a *leader* in an organised manner. The honeybee, with about 12 species worldwide, living in colonies with one *queen*, a few hundred *drones* and thousands of *worker* bees, has no match in any other species to throw light on the key role of a leader and also leadership qualities. Although endowed with the faculty of *intelligence* and sense of *speech*, human beings are in a different class given the boundless distrust, dislike, discord, greed, jealousy, avarice and undeserved ambition creating the common scenario of the *leaders* among them running at each other's throat.**

**In the backdrop of paucity of *leaders* acceptable to all sections of society in the country currently, particularly in the class of *national* leaders, the flock of *self-declared* leaders have climbed the rungs of *ladder* factoring money-power and muscle-power. Their perch at the top doesn't last even during their lifetime. Also, the leaders of all hues should be indebted to the media for providing them the ladder to climb the rungs.**

IGNORANCE IS BLISS: ***A routine annual press interaction organised by Maruti Suzuki was hijacked by reporters who began to quiz the firm's representatives present at the event on electric vehicles. Maruti Suzuki Chairman R.C. Bhargava took most of the questions in his stride but also added a caveat — since it was a relatively untested market and not much information on electric vehicles was available he would be relying on his 'ignorance' rather than 'experience' to answer the press queries.***

### Rugby player went quadriplegic after swallowing snail

Sydney: Sam Ballard, an aspiring rugby player from Sydney, Australia, never imagined that a silly thing like swallowing a garden snail at a party would end up ruining his life and leave him quadriplegic.

In 2010, at a friend's party someone dared Sam to eat harmless snail. He accepted the challenge and swallowed it whole and went back to the party. The teen soon fall ill and got hospitalised, where doctors discovered that he had become infected with rat lungworm. Sam was diagnosed with eosinophilic meningoencephalitis, where majority of sufferers recover from it. But this young rugby player eventually fell into a 420-day coma. When he finally woke up, he was a quadriplegic. Now, this 28-year-old man is still confined to a motorised wheelchair, unable to move or speak. Sam's friends raised money and gave clockwise care he was going to need. His mother applied for a National Disability Insurance Scheme (NDIS), got $492,000 package in 2016. In last Sept., his allowance was cut from $492,000 to just $135,000 which could not meet his expenses.

### Eating recycled meat to survive

Manila: Life in the slums of Manila can be incredibly difficult, and putting food on the table every day is a big challenge. That's what makes "pagpag" so popular. This Tarong term usually refers to the dust one shakes out of clothing or carpets. Pagpag has long been a staple of Filipino slum cuisine, but in recent years it has also become a lucrative business both for landfill scavengers and small restaurant owners who buy the discarded meat at cheap prices and recycle it into various dishes. A bag of pagpag meat usually sells for about 20 pesos ($0.50). But before re-cooking the meat, it's first washed to remove any trash it might have come in contact with at the landfill, and the bones are removed. Then it is mixed with various sauces, vegetables and spices, and served to customers. "They're being pushed to do that thing because they don't have enough money to buy the food that they should prepare," Maria Theresa Sarmiento, Manager of health and nutrition at Philippine Community Fund, said.

### Is fruit juice a healthy alternative to drinking soda?

There are healthy aspects of drinking fruit juice, including its Vitamin content. However, juice is much lower in fibre than whole fruit. What's more, the sugar content in fruit juice is almost as high as in sodas. It's better to eat an orange than to drink a glass of orange juice.

## VOICE OF THE READER

# Lane discipline needed at Rly. level crossing

Sir,

The chaotic situation at Railway level crossings was well-highlighted by a reader in *SOM* dated Mar. 11. This is mainly due to lack of discipline and common sense in vehicle-users.

Many times I see even cars and autos going up to the gate and blocking the traffic. Some are adamant and even after telling to join the line, they quietly ignore and create problem there. It is not understandable why people do not follow lane discipline even at level crossings.

This type of hurry to cross by going up to the gate thus blocking the movement of other side vehicles after opening gate may further delay. Those who are in a hurry can use alternate roads, as most of the citizens know the gate closing timings or start early.

I have not seen anywhere in the country Traffic Police manning Railway level crossings. People should have patience and follow lane discipline and wait for their turn to come to cross the gate.

# Obituary

**N.G. Sriranga Shayi**

Mysuru, Mar. 13- N.G. Sriranga Shayi (82), former Head of Quality Control, Engineering Division, HAL, and a resident of 11th Cross, Adipampa Road, V.V.Mohalla, Mysuru, passed away at his residence here yesterday after a brief illness. He leaves behind his wife B.N. Nagaratnamma, daughter Meera Narasimha (New India Assurance Company), son Mukund Shayi, who works in the US and son-in-law Narasimha, Engineer in KRES.

Last rites were held at Chirashantidhama in Gokulam this afternoon.

**Body donation wish not fulfilled**

However, the family has regretted that his death wish of donating his body to JSS Hospital could not be fulfilled as the authorities insisted that the body be handed over within five hours after death with a Death Certificate from a registered doctor. With best efforts to get a Physician from Apollo Hospital to the residence to obtain the Certificate, there was a marginal delay, but still they were not ready to accept the body, they bemoaned.

# Body donation: A clarification

When *Star of Mysore* contacted **Dr. N.M. Sham Sundar,** Professor of Anatomy, JSS Medical College and Secretary, Body Donation, JSS Institutions, in this regard, he said that he was contacted yesterday (Mar.12) at around 4 pm and he told the Shayi family members that he was personally ready to come and collect the body. However, the family members told him that they had to keep the body till today morning (Mar.13) as they had to wait for many relatives and friends to arrive.

"I told them that even if it was the wish of the person to donate his body, it could be fulfilled only if the body is taken to the hospital within eight to ten hours. Since, they said that they had to wait for their relatives, I told them that the only option left for them was to cremate the body. It will not be possible to take it after eight to ten hours after death, since it will start putrefying and such a body will not be of any use to the Anatomy Department and they agreed to cremate it," the professor clarified.

According to Dr. Sham Sundar, just like food that goes stale after a few hours cannot be consumed, the body once it putrefies cannot be preserved.

**Whom to contact:** People who are interested in pledging their bodies can contact JSS Medical College on Mob: 99005-68339 or 98452-06284 or **Mysore Medical College and Research Institute** on Ph: 0821-2520512.

# Cerclage to manage Cervical Incompetence

Gouri, 34 years old, married for 8 years had eight pregnancy losses. Out of the eight pregnancy losses, four losses were in the first part of pregnancy and four losses were between fourth – seventh months of pregnancy. Looking at her previous history, where she had had pregnancy losses between 3–7 months, a decision was taken to do a trans-abdominal cervical cerclage – a stitch placed at the level of internal os or around the cervix through the abdominal route. She conceived again and this was her 9th pregnancy. The abdominal cerclage was still in place. The patient was started on Low Molecular Weight Heparin (LMWH) right from the time that the pregnancy was confirmed to be situated inside the uterus. She was also found to be mild diabetic. At 32 weeks a Doppler showed a falling resistance in middle cerebral artery with uncontrolled hypertension. The patient was taken for Elective LSCS and delivered a male baby weighing 1.65 kgs.

Dr. Devika Gunasheela

Cervical incompetence is a medical condition in which the neck of the womb (cervix) in a pregnant woman begins to open and thin out much before the date that the baby is due to be born. Cervical incompetence may cause miscarriage or preterm birth during the second and third parts of the pregnancy. Cervical incompetence occurs because of weakness of the cervix.

**Risk Factors:** History of previous pregnancies ending in abortions in the second & early third trimester (i.e., between 13 – 30 weeks of pregnancy), any operations on the neck of the womb and repeated abortions where the pregnancy has taken out surgically.

**Treatment:** Once the problem of incompetence is diagnosed, the condition may be treatable through a surgical procedure called cerclage (stitching the cervix closed). One or more stitches are placed around or through the cervix to keep it tightly closed. This is usually performed after the twelfth week of pregnancy, the time after which a woman is least likely to miscarry for other reasons - but it is not done if there is rupture of the membranes or infection.

# House burgled in broad daylight

## Gold ornaments worth about Rs. 2.5 lakh looted

Mysuru, Mar.13 (SBD&KS)- House burglars, who struck a locked house at Kalpavrukshanagar 3rd Stage, 1st Main, 2nd Cross, in broad daylight on Monday, have decamped with gold jewellery worth about Rs.2.5 lakh from the house.

The burglary took place at the house of Moses Rajashekar, retired Joint Director at the Education Department.

Moses, along with his family members, left the house at about 8 am yesterday after locking the house and returned at about 4 pm only to see the lock broken. When he went inside the house, he found the gold ornaments kept in the almirah missing and informed N.R. Police.

N.R. Inspector Ashok Kumar and staff, along with fingerprint experts, rushed to the spot and conducted preliminary investigation and registered a case.

The Police said, as Moses had locked the house using a hanging lock and there were no CCTV cameras installed in the vicinity, it was easy for the burglars to gain entry into the house and loot the jewellery.

Residents should lock the house using door locks instead of hanging locks and also inform the jurisdictional Police when they are going out of station as the Police can keep vigil on such houses.

## Gauri Lankesh murder

# Court gives green signal for SIT to conduct tests on Naveen

*Gauri Lamkesh*

*Naveen Kumar*

Bengaluru, Mar.13 - The 3rd Additional Chief Metropolitan Magistrate (ACMM) Court yesterday gave its permission to the Special Investigation Team (SIT) probing the Gauri Lankesh murder case to subject the accused in the case, K.T. Naveen Kumar, to Narco Analysis Test.

The Magistrate also directed the Police that the test be carried out according to the guidelines set by the SC and National Human Rights Commission.

The Court gave the green signal for SIT, as the Police had requested it to permit them to subject the accused to Narco Analysis Test.

As Naveen expressed his fear over the health implications after the test, the Magistrate told him that his advocate would be there during the Test and standard procedures would be followed during the Test following which Naveen told the Court that he has no problem undergoing the Test, if it does not have any impact on his health.

Meanwhile, the SIT did not seek further extension of Naveen's custody and the Magistrate remanded him to Judicial custody for 14 days, till Mar.26. Following Court direction, Naveen was shifted to Parappana Agrahara Central Prison.

## Bengaluru pub assault case

# Court reserves its order on Nalapad's bail plea to Mar.14

*Nalapad Haris*

Bengaluru, Mar. 13 - The High Court yesterday reserved its order on the bail plea of Mohammed Nalapad Haris saying that the order would be given on Mar.14. The Karnataka HC, which took up the bail plea hearing yesterday, observed that Mohammed Nalapad Haris, son of MLA N.A. Haris, was 'the first one to assault' victim, L. Vidvat as per the video footage.

Justice Sreenivas Harish Kumar made this observation when Senior Counsel C.V. Nagesh, arguing for Nalapad's bail petition, claimed that there was no 'overt act' as alleged against the MLA's son in the three key records — the complaint, the statement of the complainant, and the statement of Vidvat's father.

Nalapad's advocate Nagesh claimed that the incident of assault was 'neither pre-planned nor the accused carried any weapon or lethal weapon' to the pub, and only bottles and ice bucket or jug was used in the 'drunken brawl' due to 'a trivial quarrel.'

# CCB files charge-sheet against Ravi Belagere

Mysuru, Mar.13 (KS)- The officials of the Karnataka State Pollution Control Board (KSPCB) and Mysuru City Corporation (MCC), who conducted a surprise raid on a plastic godown at Santhepet here yesterday, have seized the banned plastic covers weighing about 11 tonnes from the godown.

The godown belongs to one Rajaram and is located at Kousalya Complex in Santhepet.

A case has been registered by KSPCB in this regard.

The raid was led by MCC Commissioner G. Jagadeesha and the team comprised of KSPCB Environmental Officer Lingaraju, MCC Environmental Engineer S. Mythri, MCC Senior Health Officer Dr. Ramachandra, Health Officer Dr. Nagaraj and others.

# Unidentified body found

Mysuru, Mar. 13 (KS)- The Mysuru Railway Police, on Mar.8 have found a body of an unidentified man near the miscellaneous stall at Mandagere Railway Station.

The unidentified man, aged between 55-60 years, is 5.5 ft. tall, dark complexioned, normal built and was wearing a cream coloured half-arm shirt, saffron coloured dhoti and a cotton bed sheet.

The kith and kin of the deceased, if any, may contact Mysuru Railway Police on Ph: 0821-2516579, according to a press release.

# B.B. Cauvery of Mysuru is new Chamarajanagar DC

*B. Ramu, outgoing Deputy Commissioner of Chamarajanagar, greeting the new DC B.B. Cauvery with a bouquet.*

Chamarajanagar, Mar.13 (SS &DM)- IAS Officer B.B. Cauvery assumed charge as the new Deputy Commissioner (DC) of Chamarajanagar district yesterday. She took charge from outgoing DC B. Ramu, who has been posted as Commissioner of Animal Husbandry Department at Bengaluru.

Cauvery was serving as Kolar ZP CEO before her appointment as Chamarajanagar DC.

Daughter of Ballatikalanda K. Belliappa (Babbu) and B.B. Parvathy, residents of Vijayanagar 3rd Stage in Mysuru, Cauvery is married to Bolandanda Muthanna, hailing from Kargunda in North Kodagu.

Outgoing DC B. Ramu, along with his wife, was given a warm farewell by the District Administration and ZP.

Additional DC K.M. Gayathri, SP Dharmendra Kumar Meena, Joint Director of Agriculture Thimmalesh, Social Welfare Deputy Director K.H. Satish, ZP CEO Dr. K. Harish Kumar, ZP Deputy Secretary N. Munirajappa and others were present.

Speaking after assuming charge as the DC, Cauvery said that she has many plans for the district. Pointing out that with Assembly polls round the corner and all preparations has to be made for it, she said that her main focus would be on taking up new development works and expediting works that are already in progress. Maintaining that her focus would be on all-round development of the district, she said the geographical features of the district very much varies from Kolar, where she worked as ZP CEO.

The new DC sought the co-operation of everyone in taking the district forward in terms of growth on all fronts.

# Five candidates in fray for RS polls from State

*Hanumanthaiah Hussain Chandrasekhar Rajeev Farooq*

Bengaluru, Mar.13 (KMS& DM)- With the deadline for the filing of nomination for four Rajya Sabha seats from the State ending yesterday, five candidates have remained in fray for the four seats. While the Congress which has 123 members in the 224 member State Assembly, is all set to win 3 seats comfortably and the BJP one seat, the polls has taken an interesting turn with the JD(S), which does not have enough members, fielding a candidate of its own.

While the Congress has fielded G.C. Chandrashekar, Dr. L. Hanumanthaiah and Syed Naseer Hussain, the BJP has fielded Rajeev Chandrashekar, a businessman and media entrepreneur and also the NDA Co-ordinator in Kerala and the JD(S) has fielded business tycoon B.M. Farooq of coastal region.

While BJP candidate Rajeev Chandrashekar is eyeing his third RS term, after having got elected twice in 2006 and 2012 an Independent candidate supported by BJP and Independent Legislators, B.M. Farooq, the JD(S) candidate had lost the RS by-polls held a couple of years ago, with seven JD(S) Legislators voting against the party candidate. The Congress which can easily win two seats an its own strength, is also looking to win the third seat with support from a few Independent Legislators and rebel JD(S) MLAs.

The RS poll is scheduled to take place on Mar.23.

# Heart patient taken to swanky Jayadeva Hospital; sent back to old Hospital !

## Citizens express concern at the hurried opening of new hospital sans facilities

Mysuru, Mar.13- The swanky new Jayadeva Institute of Cardiovascular Sciences and Research on KRS Road in PKTB Sanatorium premises bereft of any facilities was inaugurated with much fanfare on Mar.10 by Chief Minister Siddharamaiah and it was covered extensively in the media. Thinking that it was fully operational, a patient was brought to the new hospital only to be turned down by the security guard stationed at the gate.

A person who noticed the incident told *Star of Mysore* that the patient's family who were anxiously looking to enter the premises were shocked to find the gates locked. One of the relatives of the patient got down from the car and approached the security guard near the security room. He told them that the hospital had still not started functioning and they should take the patient to the Jayadeva Hospital in K.R. Hospital premises.

The patient and the family members were forced to go away, regretted the person who was a witness to the incident.

Anyway one may wonder what is so significant about this incident that needs to be highlighted. After all the 350-bed hospital built at a cost of Rs.150 crore was inaugurated by the CM and many knew that it will take months to start functioning. However, what this incidence speaks of is the way the political class functions.

It is a matter of life and death when a patient is brought especially to a heart hospital. The doctors always talk about the 'Golden Hour.' Those precious few minutes can save a person's life or one can lose life. In such a situation how much time must have been wasted in bringing a person who was suffering from heart ailment and being turned away and asked to go to another hospital quite a distance away. Added to this what could have been the mental status of the patient subjected to this mental trauma. Looked at in the light of all this, the matter assumes significance.

**Hastily opened Hospital:** The Chief Minister has inaugurated the Rs.150 crore hospital and Rs.25 crore Trauma Centre in a great hurry on Mar.10. However, from the status of the building, it looks like it will take another three to four months to complete the work and no one is sure when it will become fully operational.

The public strongly feels that the whole exercise of inaugurating the hospital in a tearing hurry was because the model code of conduct could be announced any time and hence only empty rooms were inaugurated. Still there is lot of work that is left incomplete. The medical equipment and the furniture have still not been installed. There is no clarity on the appointment of the doctors and the staff.

The only conclusion that one can arrive at is, it is only to gain political mileage that the state-of-the-art hospital, without any facilities as yet, has been inaugurated.

This is the concern which many expressed and one only hopes that the new hospital will start functioning earlier than expected.

# Yeddy-Shyamanur meet gives rise to speculation

*Yeddyurappa Shyamanur*

Tumakuru, Mar.13- Wit the demand for separate Lingayat religion tag gaining momentum with support from some Seers, the reported meeting between State BJP President B.S. Yeddyurappa and veteran Congress leader Shyamanur Shivashankarappa, who is also an office-bearer of Akhila Bharata Veerashaiva Mahasabha, at Tumakuru on Sunday has given rise to speculations in political circles.

The two leaders are said to have met during the State-level Convention of Veerashaiva-Lingayat Employees at Siddaganga Mutt on Mar.11, in which Siddaganga Mutt Seer Sri Shivakumara Swamiji was felicitated.

However, the outcome of the meeting was not known, as both the leaders have kept mum. Even as the meeting between two senior politicians from Veerashaiva-Lingayat community spread, Water Resources Minister M.B. Patil, who is spearheading the movement for separate Lingayat religion, has said that no significance should be attached to the meeting between BSY and Shivashankarappa.

# Elections are now miracles

## Point of VIEW

T.J.S. George

**The bigger miracle is that it does not matter who wins, it's the BJP that will form the Government. In Meghalaya, BJP won only 2 seats against the Congress' 21. In Nagaland, it won only 11 seats against the NDF's 29. But in both States the BJP took over. At this rate, don't be surprised if Siddharamaiah leads the Congress to victory in Karnataka and Yeddyurappa forms a BJP Government.**

It's miracle time in India. A tree with no roots and no leaves, nevertheless bears fruit in Tripura; the BJP, with a previous record of 0, wins 35 of 59 seats. The bigger miracle is that it does not matter who wins, it's the BJP that will form the Government. In Meghalaya, it won only 2 seats against the Congress' 21. In Nagaland, it won only 11 seats against the NDF's 29. But in both States the BJP took over, as it did in Goa a year ago with only 13 seats in a house of 40. At this rate, don't be surprised if Siddharamaiah leads the Congress to victory in Karnataka and Yeddyurappa forms a BJP Government. Sweet are the uses of power at the Centre.

It will be a mistake however, to attribute BJP victories to political and money power alone. It has strategists who are not second to Kautilya and are adept at forging cynical alliances. The sharpness with which the likes of Ram Madhav, Sunil Deodhar and Himanta Biswa Sarma used these skills is unmatched in the history of elections. There are only a half dozen such brains in the BJP, but that is a half dozen more than other parties have.

The pity is that their intellectual vigour goes hand in hand with party apparatchiks' addiction to the vulgarity of hatreds. The Tripura triumph was followed by violence of a kind that turned triumph into shame. Mobs attacked not just CPM offices, but also colleges, houses, villages, markets and areas considered Leftist. The wrecking of Lenin statues led to an avalanche of chain reactions with statues of Periyar, Syama Prasad Mukherjee, Ambedkar and even Gandhi getting vandalised. The world must be laughing at our "democracy."

The mentality that condones criminality in the name of patriotism is dangerous. H. Raja symbolised this. This BJP leader in Chennai is good at discrediting the BJP with asinine comments. True to form, he said that the fate that overtook the Lenin statues must now overtake Periyar statues in the South. In that one stroke, the BJP lost whatever ground it gained by taming the AIADMK. For Periyar, with all his weaknesses, was a visionary who enthroned rationalism in public life, gave meaning to Dravidian ethos and put self-respect above Brahmin hegemony. Even his critics respect Periyar. Raja will not understand the nuances of such things. Small minds with big mouths never do.

Note also that neither the statue desecration spree nor the Tripura violence stopped after the Prime Minister's "strong" criticism of them. Like lynchings in UP and Gujarat, BJP's communal extremism has a momentum of its own, beyond the control of even the Prime Minister. For that reason, the northeast is going to be restive and violence-prone in the days ahead.

In Meghalaya, for example, Chief Minister Conrad Sangma plans to lead a "secular" Government with BJP's collaboration when the BJP does not accept even the word secularism; it only recognises "pseudo-secularism." Conrad is in for surprises.

And in Nagaland? Remember BJP leader Kiren Rijiju attacking his Cabinet colleague Mukhtar Abbas Naqvi over the right to eat beef? During the campaign the BJP uttered not a word about Nagaland's food habits or religion. But campaigning BJP and power-wielding BJP are separate entities. It is a certainty that there will be *ghar wapasi* efforts now in the beef-eating Christian-majority State. How will this affect a State already in the grip of insurgency and armed political groupings?

Continuing minority bashing shows that the BJP takes it as normal under its rule. Just last week Roshanbiwi in Gujarat's Gandhinagar district had her thumb, index finger and middle finger chopped off by Bhajrang Dal rowdies.

Reason: She had disobeyed the gang's order to remain indoors when they were celebrating the anniversary of Babri Masjid demolition.

The late Christopher Hitchens, disgusted by the Iranian fatwa-givers' hunt of his friend Salman Rushdie, summed up the malady of intolerance in two words: "Religion Kills." The Ayatollah's call for murder was at least a religious edict based on religious beliefs. In India, it isn't even that. It is merely the misuse of religion for selfish political gains. It is not Hinduism at all. It is a convoluted version called Hindutva.

So what are our tomorrows going to be? Will we have to say with King Lear: "We have seen the best of our time: machinations, hollowness, treachery and all ruinous disorder, follow us disquietly to our graves." Or, will this too pass and *sanatana dharma* survive unscathed?

# TechNIEks-2018

## concludes with enthralling performances

Mysuru, Mar.13 (SV) - TechNIEks, the National-level Annual Techno-Cultural fest of the National Institute of Engineering (NIE), Mysuru, saw several eventful performances on Day-2 and Day-3 of its fest. The audience were treated to fascinating performances of Project MySur along with Shashank Hiranyan and Shankar Balakuntla.

Kannada playback singer Indu Nagraj performed on the occasion. A stand-up comedy by Lolbagh, which was their 53rd show, entertained the audience hilariously. Funds for the Government Blind School was raised by the fest's Cyclothon – 'Pedal for Vision' and Marathon –'Run for Vision' on Day-1.

The students from the Government blind school also performed at the event.

On Day-3 of TechNIEks- 2018, singer Mythri Iyer enthralled the audience with her melodious voice. K. Vijith, a 4th semester mechanical engineering student performed fusion beats — a fusion of table and drums with beat boxing. Aashrith Arun, a 6th semester computer science engineering student performed illuminatrix, a dance performance with modern day visuals.

The fashion show at the fest had different themes for each round — the first round being the bridal theme, the second being the Indian theme and the third cocktail theme. While the first round was choreographed and designed by Badshah's Pride and Male up by Chillers, the second and third rounds were choreographed and designed by Snehal Igoor and Nick Roshan respectively. Swayam, a new-born college band, gave several cultural performances. Flames, Signature, Monsters, Dazzlers and other such prominent dance groups rocked the stage with their moves. First year students Nikitha and Amrutha performed classical form of dance. The event saw huge participation from various students during the three-day fest.

# Temple resurfaces as KRS water level dips

***Even as the temperature is soaring, the water level at Krishna Raja Sagar (KRS) reservoir is fast receding and the monumental proof is this picture of Sri Narayanaswamy temple that has resurfaced. This temple in Anandduru village of Mandya District, located in KRS backwaters, is rarely visible as it gets completely submerged when the water level at the reservoir reaches 100 ft. and above.***

Mysuru, Mar. 13 (US&RKB)- Oriental Research Institute (ORI) in association with Mahajana First Grade College had organised a National Seminar on 'Literary contributions of Mummadi Krishnaraja Wadiyar' at Aryabhata auditorium in Manasagangothri here this morning.

About 200 scholars and students of history participated.

The seminar commenced with *Vedaghosha* by vedic scholars and rendition of the then official anthem of Mysore State *'Kayo Shri Gowri'* as the dignitaries arrived on stage. The ambience was befitting the era of the then Wadiyars.

Inaugurating the programme by watering a sapling, Pramoda Devi Wadiyar recalled the invaluable contribution of the then Maharajas of Mysore towards

education, art and culture. She along with other dignitaries offered floral tributes to the portraits of Chamaraja Wadiyar and Mummadi Krishnaraja Wadiyar.

Mysore University In-charge Vice-Chancellor Prof. C. Basavaraju, who presided, said that the contribution of Wadiyars to education was vital as students those days had to go to Madras (Chennai) to pursue degree till Mysore Varsity was established. He recalled that the logo of Mysore University Centenary celebration too was designed by Pramoda Devi.

Mahajana Education Society President R. Vasudevamurthy was the chief guest. ORI Director Dr. S. Shivarajappa welcomed. Hon. Advisor of ORI Dr. T.V. Sathyanarayana and others were present.

## Sewage water into Lingambudhi Lake

# MLA conducts spot inspection

Mysuru, Mar.13-The residents of Dattagalli are a suffering lot as sewage water is entering the Lingambudi Lake in Dattagalli through the storm water drain and causing them a great deal of inconvenience.

In the light of inconvenience caused, Chamundeshwari MLA G.T. Devegowda (GTD), MCC Commissioner G. Jagadeesha, MUDA Chief Engineer Suresh Babu and other engineers visited the lake yesterday morning and inspected it.

The officials were directed to immediately stop the flow of sewage water into the lake as it was causing problems to the birds in the lake, those who were using the lake area for walks and to the nearby residents.

The sewage water was polluting the lake and this was because a few of the pipes leading to the lake were deliberately broken and the sewage water released outside, alleged the residents.

MUDA and MCC officials Ramesh Kallipalya, Arakeshwar, Honnegowda and residents of the area were present.

# Fresh applications invited for Mysore Varsity VC post!

**(Continued from page 1)**

However, sources in the University said that the whole process of finalising the list of the eligible aspirants, the reconstitution of the new Search Committee will all take time and the process of selecting the VC cannot be done before April first week.

The official said that the Model Code of Conduct will kick in once the election date for the forthcoming Assembly elections is announced in the second week of April. Once that is announced, the selection process will also be delayed and hence, University of Mysore will not have a regular VC for at least another five months.

The tenure of former Vice-Chancellor Prof. K.S. Rangappa ended on Jan.10, 2017. The then senior most Dean Prof. Yashwantha Dongre assumed charge as In-Charge Vice-Chancellor and his term ended just a month later. Then it was the turn of Prof. Dayanand Mane who took charge as the In-Charge Vice-Chancellor, whose term ended on Nov. 22, 2017 and then Prof.C. Basavaraju took charge as the In-Charge VC on Nov.23, 2017.

It may be recalled that the Search Committee headed by former VTU VC Prof. H. P. Kincha to select the Vice-Chancellor for University of Mysore, had met in Bengaluru on Mar. 3.

Governor Vajubhai Rudabhai Vala had sent back the names recommended by the State Government for University of Mysore and Bangalore University asking them to send fresh names some time back.

# No 'Breakfast Bhagya' for Pourakarmikas yet

## MCC was to serve breakfast to 2,300 Pourakarmikas from Feb. 2017

*Pourakarmikas engaged in cleaning works in city this morning.*

Mysuru, Mar. 13 (RK&US)- The much-hyped 'Upahara Bhagya' (Breakfast scheme) mooted by Mysuru City Corporation (MCC) a year ago to provide morning breakfast to 2,300 Pourakarmikas engaged in cleaning work is yet to take off owing to policy issues. The MCC had announced that it would start serving breakfast to Pourakarmikas from Feb. 2017.

With cleanliness taking the topmost priority in city, the role of Pourakarmikas in achieving the same cannot be quantified. Hence, the MCC came out with a good scheme to provide breakfast to the Pourakarmikas to energise them, but unfortunately, the proposal seems to be still on the paper.

Many pourakarmikas leave home early in the morning for work, mostly skipping breakfast as they do not have time to prepare the same.

When *Star of Mysore* contacted MCC Health officer Dr. Nagaraj, he said that the actual process of launching the scheme commenced about six months ago and tenders were invited to supply breakfast on a daily basis to the Pourakarmikas with a change of menu everyday.

However, no response was received to provide breakfast priced at Rs. 20 per plate, Dr. Nagaraj said and added that on a second thought, the MCC thought of handing over the responsibility to Akshaya Patre, a wing of International Society of Krishna Consciousness (ISKCON),who have been successfully providing midday meal to school children.

On contacting ISKCON, the officials there insisted on direct involvement and not through the tender process citing technical issues. However, such a clause was unacceptable to MCC to abide by the rules, he said.

Dr. Nagaraj said that, with no way out, the MCC initiated the tender process again and was able to get response from three sources which offered breakfast at a price of Rs. 27, Rs. 30 and Rs. 32 and not at Rs. 20 as demanded by the MCC.

In that context, the MCC approached the Directorate of Municipal Administration seeking a revision of price to Rs. 27, the lowest of the three quotations, he added.

Though two months have elapsed, MCC is yet to receive a reply from the Directorate, explained Dr. Nagaraj. If the proposal is okayed by the Government with a revised price, the scheme will take off and breakfast will be served at 7am daily at the attendance point in each ward, added Dr. Nagaraj.

# MUDA Board meeting begins

Mysuru, Mar.13 (RK&DM)- The MUDA Board meeting to discuss a host of issues began at MUDA Hall on JLB road here this morning.

The meeting, presided over by MUDA Chairman D. Dhruvakumar, assumes significance with Assembly polls round the corner.

The MUDA has set an agenda for discussion on a total of 226 subjects, which include issuing notification seeking applications for allotment of CA (Civic Amenities) site, allotment of bit of lands, execution of affordable Group Housing Schemes, formation of Ballahalli & Kenchalagudu layouts and issues regarding private layouts, among others.

MUDA Commissioner P.S. Kantharaj, MLAs M.K. Somasekhar, Vasu and G.T. Devegowda, Legislative Council Deputy Chairman Marithibbegowda, MUDA members and officials were present.

# I am not disappointed about not getting RS ticket: Sankeshwar

*Vijay Sankeshwar*

Hubballi, Mar. 13- Asserting that he had not sought a BJP ticket for Rajya Sabha seat, former MP and media entrepreneur Vijay Sankeshwar said that he was not at all disappointed over not getting RS ticket.

Addressing a press meet at Hubballi this morning, he scotched rumours that he was upset with BJP leadership over denial of ticket. Pointing out that he had joined RSS when he was 12 years of age, Sankeshwar said State BJP President Yeddyurappa, giving a hint of his (Sankeshwar) nomination for RS polls, had asked him to get his paper ready by Mar. 11. But he does not know what transpired later on, he said reiterating that he was not at all disappointed.

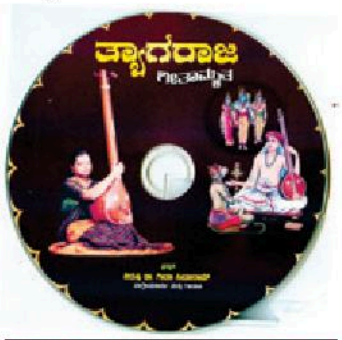
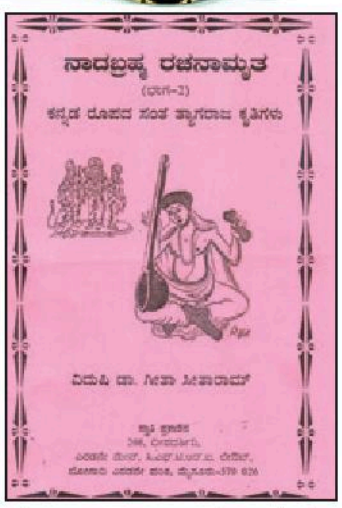
# Saint Thyagaraja's
## compositions now in Kannada
### An initiative by Dr. Geetha Seetharam





Connoisseurs of Karnatak Classical music in Mysuru are fortunate to be served by music sabhas organising concerts at well-marked venues by both artistes of eminence and up'n'coming fraternity with promise of etching their name in foreseeable future. The fact that most of the occasions witnessing concerts by artistes representing other forms of music, namely Hindustani, Western, Folk Music, Devotional renderings and even Film Music attract patrons in large numbers mirrors an abiding interest among the city's residents across all age groups.

The names of past giants in the field of music who took residence in Mysuru as well as the legends who are very much amidst us are on the lips of music patrons of the city who grace the concerts regularly. The cause of music in Mysuru has not been lost even a wee bit in our times, thanks to the many well-known office-bearers of the music sabhas offering both financial and professional help and guidance.

**Dr. Geetha Seetharam**

Mysuru has long been home to both onstage artistes, who have enthralled audiences by their stellar performances and also composers and musicologists connecting the music-lovers with knowledge on nuances of the divine muse. One of them among the highly rated artistes of Mysuru is Dr . Geetha Seetharam, revered by a wide circle of her students and well-wishers for her multi-sided works as a prolific author, playwright, vocalist in many languages familiar to music-loving public of the city.

**Saint Thyagaraja's lyrics**

While the Trinity of Classical Karnatak music have enriched the stock of lyrics being rendered at the concerts, Saint Thyagaraja's compositions in Telugu have been the main stay of that voluminous literary works. The just-published Kannada version of the Saint's 50 selected compositions in Telugu as part-2 is sure to be welcomed, specially due to the scholarly inputs by Dr. Geetha enabling the Kannada-centric listeners to grasp the philosophical and spiritual message of the Saint. Titled as *Naadabrahma Rachanamritha*, the 58-page publication as well as the CD titled *Thyagaraja Githamritha* with the rendering of the compositions melodiously were released at a function in city last month. The book is modestly priced at Rs. 100.

The author has indicated the raaga as well as taala applicable to each of the 50 compositions. She has also included a glossary of 50 unfamiliar words *(clistha padagalu)* with meaning in Kannada. Suttur Seer Sri Shivarathri Deshikendra Swamiji, President of Sri Ramakrishna Ashrama, Mysuru, Swami Atmajnanandaji and Head of Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya, Mysuru, Rajayogini B.K. Lakshmiji have expressed deep appreciation and blessed the author.

## Nidahas Trophy

# Pandey, Thakur lift India to victory

***Manish Pandey and Dinesh Karthik starred with the bat as India sealed a comfortable six wicket win in the Nidahas Trophy encounter against Sri Lanka in Colombo yesterday***

Colombo, Mar.13- Manish Pandey and Dinesh Karthik starred with the bat as India sealed a comfortable six wicket win in the Nidahas Trophy encounter against Sri Lanka in Colombo yesterday.

Earlier, young Shardul Thakur registered his best T20 bowling figures as Sri Lanka lost their way in the middle overs after Kusal Mendis' fifty and were restricted to 152 for nine. The match was reduced to 19-overs-a-side affair after over an hour was lost due to rain.

India didn't have the best of starts with the bat as they lost openers Rohit Sharma (11) and Shikhar Dhawan (8) early in the chase. The captain's form will certainly be a worry for the team going ahead in the tournament.

K.L. Rahul, who came into the team in place of Rishabh Pant stitched important partnership with Suresh Raina to get India back on track.

Just when it seemed India would coast home, they experienced a bit of a stutter as Raina and Rahul departed in quick succession. Rahul also became the first Indian to be dismissed hit-wicket in T20Is.

But Karthik and Pandey showed great maturity and the two ensured India didn't face any more trouble.

Sent into bat, Mendis once again shone bright for Sri Lanka scoring 55 off 38 balls with the help of three fours and as many sixes before Indian bowlers led by Thakur brought their side back into the game with wickets at regular intervals. Thakur returned with impressive figures of 4/27, while young off-spinner Washington Sundar (2/21) scalped two wickets as India made a strong fightback after leaking runs in the first 10 overs.

Vijay Shankar (1/30), Yuzvendra Chahal (1/34) and Jaydev Unadkat (1/33) also accounted for a wicket each.

Thakur gave India the breakthrough when he dismissed Danushka Gunathilaka (17) in the third over with Suresh Raina taking a stunning catch at midwicket.

Kusal Mendis continued his good form and did not spare a single Indian bowler while Tharanga preferred to play the second fiddle. Kusal Mendis used the crease to great effect to hit most of his scoring shots on his favourite left side.

Shankar broke the dangerous-looking partnership when he bowled Tharanga in the 11th over. But Shankar himself spoilt his good work, courtesy two bad deliveries which were clobbered over the boundary by Lankan stand-in skipper Thisara Perera (15).

In between, Kusal Mendis brought up his fourth fifty in five innings in just 31 balls. But India pulled Sri Lanka back again with three more quick wickets in the form of Thisara Perera, Jeevan Mendis and set Kusal Mendis.

While the Lankan skipper perished in search of one too many big shots, caught by Chahal off Thakur, Sundar went through Jeevan Mendis's defence with his guile.

The big blow for Sri Lanka came when Kusal Mendis departed next, giving away a soft catch to Rohit off Chahal. Thakur then dimissed Dasun Shanaka (19) and Dushmantha Chameera in consecutive balls in the 19th over to stand in with a chance to claim a hat-trick which didn't come.

# K.R. Hospital to get more beds, facilities

## With Sri Jayadeva Institute of Cardiovascular Sciences moving into new campus, facilities to patients at K.R. Hospital will be expanded

Mysuru, Mar.13- Here is some good news for the patients who visit K.R. Hospital and constantly complain of lack of beds and other facilities there.

The hospital is likely to get the infrastructure that was set up for the Mysuru branch of Sri Jayadeva Institute of Cardiovascular Sciences and Research that will now move to its swanky premises on KRS Road.

Jayadeva Institute is presently functioning at the Medicine Block in the K.R. Hospital and once it moves to the new facility in the campus of PKTB Sanatorium on KRS Road, the infrastructure will be handed over to K.R. Hospital.

The new Jayadeva unit was inaugurated by Chief Minister Siddharamaiah on Saturday.

K.R. Hospital caters to the need of patients from Mysuru, Mandya, Hunsur, H.D. Kote and even Chamarajanagar.

The hospital faces severe shortage of infrastructure, prompting the State Government to build a new District Hospital. In the absence of adequate beds due to space constraints, beds are arranged for patients on the floor until beds in the departments become vacant. So much is the space crunch that many special wards have been converted into general wards to accommodate patients.

When the Jayadeva institute wanted to set up its unit in Mysuru, the Directorate of Medical Education gave the Medicine Block to the institute to start its operations.

Now that the Jayadeva will move to its new campus, the existing facility at K.R. Hospital will be used to ease the shortage of beds and infrastructure. There are about 100 beds with well-established infrastructure and an Intensive Care Unit (ICU)

*The Medicine Block in K.R. Hospital premises where Jayadeva Institute is presently functioning.*

*The Institute of Nephro Urology (INU) at K.R. Hospital campus which was inaugurated by Chief Minister Siddharamaiah on Saturday.*

As per the guidelines issued by the Medical Council of India, a Medicine Department should have 240 beds. If the K.R. Hospital gets an additional 100 beds from Jayadeva unit, it will immensely benefit the patients, said K.R. Hospital Medical Superintendent Dr. Chandrashekar.

### Nephro Urology Institute

Institute of Nephro Urology (INU) has opened its first branch outside Bengaluru at K.R. Hospital campus with a 50-bed strength facility for patients suffering from kidney and urinary tract disorders.

Chief Minister Siddharamaiah inaugurated the facility yesterday which has been set up at a cost of Rs. 8 crore.

The INU branch is on the fourth floor of the Medicine Block in K.R. Hospital.

The new facility will have over 22 dialysis units. Dialysis is presently done daily on 27 to 30 patients using nine dialysis units The new facility will help kidney patients as more number of specialists from the parent branch in Bengaluru will be available here for consultation.

The hospital's dialysis machines run round-the-clock in three shifts. Dialysis, which costs between Rs.750 and Rs.1,000 per procedure in private hospitals, is done for free in the hospital for BPL patients. A fee of Rs. 600 is charged for APL patients.

# Demo on 'waste management' in school campus

Mysuru, Mar. 13 (SV) - The National Service Scheme, National Institute of Engineering-Unit (NSS-NIE Unit), in association with Centre for Renewable Energy and Sustainable Technology (NIE-CREST), conducted a programme on 'Waste Management in School Campus' here recently in four schools — Government High School, N.R. Mohalla, Government High School, Rajendranagar, Manasagangothri High School, Manasagangothri Campus and Sharada Government High School, Kanakagiri.

The prog. included awareness on waste management with emphasis on conversion of dry and wet waste to compost with simple techniques and installation of Aerobic Composter and demonstration of its operation.

Shamsundar, Head, NIE-CREST and his team, along with V. Vikram Athreya, NSS Officer, NIE unit, Staff and student volunteers of NIE College, took part in the programme. About 40 student volunteers demonstrated to the school students on composting and managing wet waste within the school campus.

The 200 litre capacity Aerobic Composters, which were fabricated by the students of NIE, was donated to the schools. The staff and students of the schools were enthusiastic in learning the process of waste management in their school campus which was witnessed by the interest shown by them in the course of the programme.

CMCA (Children's Movement for Civic Awareness, Mysuru) and Citizens Forum for Swachh Mysuru also supported the event.

# MP distributes three-wheelers to specially-abled

*Mysuru-Kodagu MP Pratap Simha is seen distributing motorised three-wheelers to 20 specially-abled beneficiaries at a function organised near his office at Jaladarshini Guest House on Hunsur Road on Sunday. A total of 20 such three-wheelers were purchased at a total cost of Rs.12,65,300 (each vehicle cost Rs.63,265) from the MP Local Area Development Fund and were distributed to the beneficiaries of various communities.*

# Works on Nanjangud-Kavalande Road begins

## District Minister performs 'Guddali Puja'

Nanjangud, Mar.13 (RS&US)- District in-Charge Minister Dr. H.C. Mahadevappa performed *guddali puja* for the road work between Nanjangud and Kavalande on Chamarajanagar bypass Road near Srikanteshwara Temple here recently with an outlay of Rs.69 crore.

The work is being taken up under the NH-155 development work connecting Jevargi and Chamarajanagar.

Dr. Mahadevappa, speaking on the occasion, said that several development works were underway in Nanjangud covering all the Temples.

MP R. Dhruvanarayan, MLA Kalale Keshavamurthy, Dr. Yathindra Siddharamaiah, City Municipal President Pushpalata Kamalesh and Vice-President Pradeep were present.

# I am happy with development works in Periyapatna: Ex-Minister

## Satish Jarkiholi meets Congress workers at Bylakuppe

Bylakuppe, Mar.13 (Rajesh)- Stating that he was much delighted to see the development works taken up under the leadership of MLA K. Venkatesh in the taluk at a cost of nearly Rs.2,000 crore, former Minister and Belagavi district MLA, Satish Jarkiholi, has said that K. Venkatesh must be thanked for the enormous efforts he had made to get the projects and funds sanctioned for the taluk.

The former Minister was addressing Congress workers at Bylakuppe in the taluk recently.

Stating that he had camped in the taluk for 10 days canvassing for K. Venkatesh in the 2013 Assembly polls, Satish Jarkiholi said that after five years, he could see a vast improvement in civic amenities and infrastructure everywhere in the taluk.

MP Prakash Hukkeri accompanied Satish on his visit to the taluk.

## WORD OF THE DAY

### Croesus

**Pronunciation:** KREE-sus (noun)
**Meaning:** A very rich man.
**Origin:** The original Croesus was a 6th-century BC, King of Lydia, an ancient kingdom in what is now Turkey. Croesus conquered many surrounding regions, grew very wealthy, and became the subject of legends. In one legend, he was visited by Solon, the wise Athenian lawgiver. (Historians say this isn't chronologically possible, but it makes a good story.) Solon supposedly told Croesus, who thought he had everything: "Account no man happy before his death." These words made Croesus angry, and he threw the lawmaker out of his court. Croesus would rethink Solon's pronouncement later when his empire was overthrown by the Persians. Croesus' name shows up in the phrase "rich as Croesus," meaning "filthy rich," and it has also entered English as a generic term for someone extremely wealthy.

## THE ODD WORD

### Pickwickian

Meant or understood in a sense different from the apparent of usual one.

## PHRASE OF THE DAY

### Strike while the iron is hot

**Meaning:** To take advantage of the circumstances or to get benefit from an existing condition or situation by strategising.
**Example:** "It's best to place your bid while the iron is hot or else you will never win the bid."
**Origin:** The phrase comes from a profession where a blacksmith strikes iron while it is hot to be able to mould it to his advantage. Similarly this phrase talks about making good use of a situation to mould it as per one's own needs. It can be of malicious intent or taking benefit in a vulnerable situation. The phrase originated in the 15th century.

**ಷೇರಿನಿಂದ ಹಣ ಗಳಿಸಿ**

ಷೇರಿನಲ್ಲಿ ಹಣ ಗಳಿಸುವುದು ಎರಡು ರೀತಿಯಲ್ಲಿ – ದೀರ್ಘಕಾಲಿಕವಾಗಿ ಮತ್ತು ಅಲ್ಪಕಾಲಿಕವಾಗಿ. ಸರಿಯಾದ ಷೇರುಗಳನ್ನು ಆರಿಸಿ ಅದರಲ್ಲಿ ತಿಂಗಳು ತಿಂಗಳು (SIP ಯಂತೆ) ಹಣವನ್ನು ದೀರ್ಘಕಾಲಿಕವಾಗಿ ವರ್ಷಗಟ್ಟಲೆ ಹೂಡಿದಾಗ ನಿವೃತ್ತಿಗಾಗಿ ಒಂದು ದೊಡ್ಡ ಮೊತ್ತವನ್ನು ಖಂಡಿತವಾಗಿಯೂ ಸಂಗ್ರಹಿಸಬಹುದು.

ಸರಿಯಾದ ಸಂಶೋಧನೆ ನಡೆಸಿ, ಸರಿಯಾದ ಸಮಯದಲ್ಲಿ ಷೇರು ಮಾರುಕಟ್ಟೆಯ ಏರಿಳಿತಗಳನ್ನು ಆಧರಿಸಿ ಹಣವನ್ನು ಹೂಡುವುದರಿಂದ ಅಲ್ಪಕಾಲಿಕವಾಗಿಯೂ ವರ್ಷಕ್ಕೆ 30 ರಿಂದ 40% ವರೆಗೂ ಲಾಭವನ್ನು ಅಪೇಕ್ಷಿಸಬಹುದು – ಎನ್ನುತ್ತಾರೆ ಅಂತಾರಾಷ್ಟ್ರೀಯ ಖ್ಯಾತಿಯ ತರಬೇತುದಾರರಾದ ಡಾ। ಭರತ್‌ಚಂದ್ರ.

ಷೇರು ತುಂಬಾ ಅಪಾಯಕರ ಮತ್ತು ಅರ್ಥವಾಗದ ಗೊಂದಲಮಯ ಮಾಯಾಬಜಾರ್ ಎಂಬ ತಪ್ಪು ಕಲ್ಪನೆಯನ್ನು ನಿವಾರಿಸಿ, ಇದು ಹಣವನ್ನು ಗಳಿಸುವ ಉದ್ದಿಮೆ ಎಂದು ವ್ಯವಹರಿಸಿದರೆ ಇದರಿಂದ ಲಾಭ ಖಂಡಿತ.

ಷೇರು ಮಾರುಕಟ್ಟೆಗೆ ಹೊಸಬರಾಗಿದ್ದು, ಈಗ ಹಣ ಹೂಡುವುದರ ಬಗೆಗೆ ಚಿಂತನೆ ನಡೆಸುತ್ತಿರುವ ಮತ್ತು ಈಗಾಗಲೇ ಷೇರು ಮಾರುಕಟ್ಟೆಯಲ್ಲಿ ಹೂಡಿಕೆದಾರರಾಗಿದ್ದು, ಇನ್ನು ಮುಂದಾದರೂ ವೈಜ್ಞಾನಿಕವಾಗಿ ಹಣ ಹೂಡಲು ಬಯಸುವವರಿಗಾಗಿ ಈ ಕಾರ್ಯಾಗಾರವನ್ನು ರೂಪಿಸಲಾಗಿದೆ.
